## NEW 2.7 Salon 250ml/500ml/1000ml

It works for all hair types , specially damaged,  
dry, fine, frizzy hair

The most advanced and new hair botox technology in smoothing and reconstruction of the hair with Keratin-Collagen-Protein. 0% Formaldehyde released before, during or after the treatment. PRO-TECHS PREMIUM SILKY HAIR System is a revolutionary hair reconstructor and volume reducing treatment that eliminates frizzy hair, leaving it straight, healthy and shiny to three or four months. It works on all types of hair.

#### APPLICATION:

1. Wash hair with clarifying shampoo.
2. Towel dry.
3. Divide the hair into 4 parts with a brush and a comb, apply the product stand by stand, from the root to the tips. 1cm from the scalp in natural and resistant hair, let the product act for 20 to 40 minutes.
4. Without rinse. With a hair dryer, dry your hair 100%.
5. Section and straighten the hair with a FLAT IRON that can reach 230 to 249°C, going over each section 10 times or more. Temperature should be adjusted according to the condition of the hair.
6. Wait 30 minutes and keep the hair cool. Rinse hair by warm water, then use hair mask to massage hair to balance. Or after 3 days wash the hair with daily shampoo and conditioner. To reserve and extend the effects of the treatment for a longer period.

To extend the effect, use products of the keratin 0+ home care kit.
